

Medtronic

How to e-Prescribe InPen™ smart insulin pen for your patients

Simplifying the prescription process

Commercial insurance, Medicare, Medicaid, Veteran Affairs (VA) or TRICARE®

- No need to fax prescriptions
- Commercially insured patients have a choice to send prescriptions to patient's preferred pharmacy or select one of our mail order pharmacies

Medtronic will adhere to payer policies, which may vary, for each patient.

If your patient doesn't have insurance coverage for the InPen system, they may be eligible for financial assistance.*

Step 1

Select either a Novo or Lilly InPen, color, and the quantity.

InPen Novolog® or Fiasp® U-100 3.0 mL

Blue | NDC 63000-082718

Grey | NDC 63000-082719

Pink | NDC 63000-082720

InPen Humalog® U-100 3.0 mL

Blue | NDC 63000-082715

Grey | NDC 63000-082716

Pink | NDC 63000-082717

Insulin cartridges and needles should be separately prescribed to the patient's local pharmacy or mail order pharmacy.

Step 2

Submit order through EMR/EHR to patient's local pharmacy of choice. Alternatively, we offer the following mail order pharmacies:

- Gem Edwards Pharmacy
- Express RX (California only)
- Alto Pharmacy (select cities†)

† Alto Pharmacy available in the following cities: Austin, TX, Dallas-Fort Worth Metro, TX, Denver, CO, Houston, TX, Irvine/Orange County, CA, Las Vegas, NV, Los Angeles, CA, New York Metro, NY, San Diego, CA, San Francisco, CA, San Jose, CA, Seattle, WA

How to order and dispense InPen smart insulin pen

Pay as little as
\$35
per prescribed
InPen*

Select your InPen.

Select either a Novo or Lilly InPen, color, and the quantity.

InPen Novolog® or Fiasp® U-100 3.0 mL

Blue | NDC 63000-082718

Grey | NDC 63000-082719

Pink | NDC 63000-082720

InPen Humalog® U-100 3.0 mL

Blue | NDC 63000-082715

Grey | NDC 63000-082716

Pink | NDC 63000-082717

Commercial insurance

Step 1: Submit order through EMR/EHR to local pharmacy of choice. Alternatively, we offer the following mail order pharmacies:

- Gem Edwards Pharmacy
- Express RX (California only)
- Alto Pharmacy (select cities)

Step 2: \$35 e-voucher* via Relay Health/Change Healthcare will be applied at the pharmacy.

Step 3: If the script is **DENIED** or the \$35 e-voucher is not applied, transfer prescriptions to one of our mail order/online pharmacy options:

- Gem Edwards Pharmacy
- Express RX (California only)
- Alto Pharmacy (select cities)

Government (Medicare/Medicaid) + commercial denials

Step 1: Pharmacy receives InPen RX and ensures that the order includes a Humalog®, Novolog®, or Fiasp® insulin cartridges and standard pen needles, and the order matches current insulin regimen.

Step 2: If approved, dispense InPen. No e-voucher applies. If the script is **DENIED** or the \$35 e-voucher is not applied, transfer prescriptions to one of our mail order/online pharmacy options:

- Gem Edwards Pharmacy
- Express RX (California only)
- Alto Pharmacy (select cities)

In case of denial, patients may be eligible to purchase InPen for \$35.*

Step 3: The patient will receive the InPen from mail order pharmacy. If insulin cartridges and pen needles were included in the order, those will also be dispensed.

Additional patient support available at <https://www.medtronicdiabetes.com/inpen-training>

Additional questions? Call 800-646-4633, option 1 for Medtronic 24-Hour Technical Support.

HCP may need to provide patient with therapy settings.

If the patient, healthcare provider, or pharmacist has any questions, please contact your local Medtronic representative.

Medtronic Representative: _____ Phone Number: _____

Smart insulin pens connect to a mobile app to provide dosing calculations, reminders and CGM system integration.

*\$35 discount per pen.

Eligibility Requirements for InPen User Access Program:

Open to insured patients and patients with commercial prescription insurance and those who are not enrolled in any government-funded program that pays for prescription devices or treatments. Excluded participants include patients enrolled in any federal, state, or government-funded healthcare program such as Medicare, Medicare Advantage, Medicare Part D, Medicaid, Medigap, Veterans Affairs (VA), the Department of Defense (DoD) or TRICARE® that provides coverage for InPen, or where prohibited by law. Cash Discount Cards and other non-insurance plans are not valid as primary under this offer. If at any time a patient becomes enrolled under any such federal, state, or government-funded healthcare program, he/she will no longer be able to use this program and must call (800) 646-4633 to stop participation. Restrictions may apply. Offer subject to change or discontinue without notice. This is not health insurance. Offer applies to a maximum of 2 prescribed InPens per Patient per benefit year. Offer good only in the USA at participating pharmacies and cannot be redeemed at government-subsidized clinics.

Important safety information: InPen™ smart insulin pen

The InPen is a home-use reusable pen injector for single-patient use by people with diabetes under the supervision of an adult caregiver, or by a patient age 7 and older for the self-injection of a desired dose of insulin and for calculating an insulin dose or carbohydrate intake based on user entered data. A healthcare professional must assist in dosage programming of the device prior to use, based on various patient-specific criteria and targets. The InPen requires a prescription. For additional product and safety information, please consult the Instructions for Use and www.bit.ly/InPenSafety.
